

Canfresh Liquid Sour

Chemical Residue Neutralizer

Protects Against Skin Irritation

Liquid Sour is a quality product formulated to neutralize any harsh chemical residues in linen thus protecting from fabric harshness and skin irritation.

This product contains rust removing properties and bluing agents. It is ideally suited for use in industrial and institutional laundry applications.

DIRECTIONS:

The suggested ratio is 2-4 oz. per 100 lbs. of linen.

Concentrations should be adjusted to achieve a pH of approximately 6.

For Commercial Use Only
