

Canfresh Fabrisoft

Professional Fabric Softener

Dye & Perfume Free

This product contains biodegradable cationic fabric softening agents which work to fight stretching, fading, pilling, fuzz, and static. *Fabrisoft* keeps clothes feeling fresh and new by imparting a luxurious soft handle to fabrics.

It is well suited for use in industrial fabric cleaning applications.

DIRECTIONS:

Store above freezing but below 40 °C (105 °F).

Keep out of reach of children.

NOTE: Liquid fabric softener can increase flammability, and using more than recommended can increase this effect.

Do not use on children's sleepwear or garments labelled as flame resistant as it may reduce flame resistance.

Do not use on garments made of fluffier fabrics such as fleece, velour, chenille, and terry cloth.

For Commercial Use Only
