

Liquid Sour & Softener

2-in-1 Neutralizing Agent

Liquid Sour & Softener is a high quality liquid product designed to neutralize any harsh chemical residue while softening and eliminating all static from linen.

Softener is formulated with conditioners to prevent discoloration and rust staining in linens.

This product is ideally suited for use in industrial and institutional applications.

DIRECTIONS:

Liquid Sour & Softener should be used in a ratio of 1 - 3 oz per 50 lbs of linen.

Concentrations should be adjusted to achieve a pH of 5.5 - 6.5.

For Commercial Use
